Calling all Knitters and Crocheters . . .Join the new Prayer Shawl Ministry

First Meeting: Tuesday, September 14th, 10 am-12 Noon, Room 25-26

The first prayer shawl ministry was started by two women in 1998 in Connecticut and has since spread through many denominations throughout the world. Those first knitters came to realize their knitting enabled people to encounter God's love in a tangible way. What their hands and hearts created allowed others to know God. Their knitting was linked to God's great creative energy that blankets us with compassion. Their work and care linked them to God's grace.

Prayer shawls are knitted in "threes" representing the "holy trinity" and other references in the Bible to "three." Those who knit them pray that God will comfort the person who receives them physically, mentally and spiritually. They are also blessed by the group that usually meets for an hour each month. Most of the knitting is done at home. Prayer shawls can also be crocheted. Yarn and instructions will be made available. Just bring yourself, your knitting needles or crochet hooks.
